

Reconditioned” Duroair Retractable Spray Booth

Serial Number: 102519

Retractable Ventilated Spray Booth

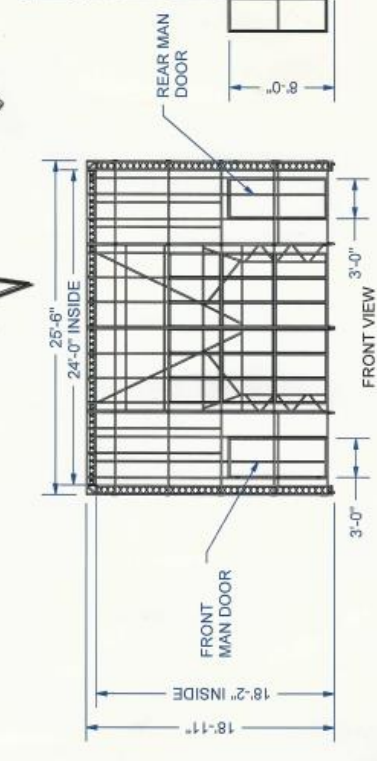

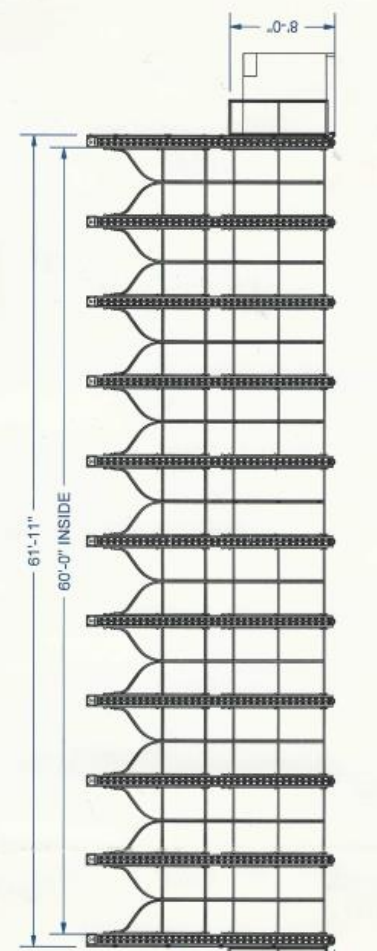

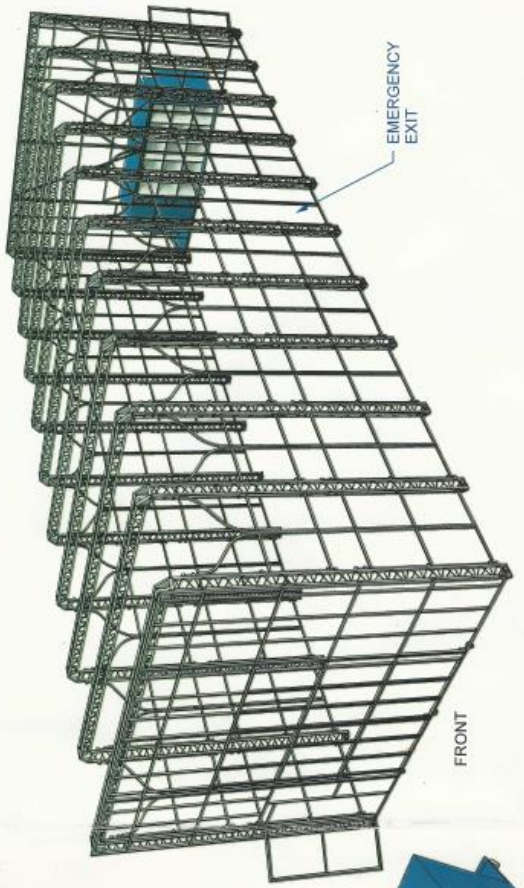

Price (US Funds) \$ 60,000.00

Description:

- Duroair Retractable Ventilated Spray Booth (**24’ Wide Plate x 60’ Long x 18’ High Enclosure**).
- **Booth retracts to 20% of it’s extended length**
- Modular enclosure system can be stored efficiently when not in use, allowing you to maximize your existing floor space.
- **Equipped with a non-vented industrial air filtration system.** An indoor air filtration system that completely recycles air without the need to exhaust contaminants to the outside environment.
- Allows for full use of overhead cranes for loading and unloading
- **Built in fire suppression system**
- Create enclosed work stations within your facility without incurring extensive new construction costs
- Maximize floor space
- Avoid interference with essential material handling equipment

Notes:

- **This enclosure is presently in our Peen & Clean Facility in Hamilton, Ontario**
