Always Dependable Service is please to announce that Mike Dunham has joined the ADS team as Product Engineer. Mike has 25 years experience in the applied design of material handling and custom automation equipment. This includes several years with Wheelabrator as lead designer on wheel blast and air blast systems.

As a member of the ADS team Mike is looking forward to continuing his focus contributing to a high quality product with an emphasis toward customer care and satisfaction.

In his new capacity as Product Engineer, Mike will offer technical support to sales, production and in-house orders while building strong relationships with distributors, customers and end users. He will also help to further develop our standards program, equipment modernization program (EMP) and replacement parts catalogue.

In the interim please feel free to contact Mike at mdunham@ads-shotblast.com, 905-628-0765 ext. 247 or Mobile 905-741-6405 to say hello or get reacquainted.
